Dear Jodi,

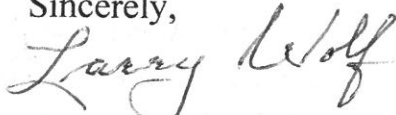

The Kelly Miller Circus arrived in our town on a chilly mid-May morning in west central Ohio. It has been here before. People know what to expect: a smoothly run event from start to finish, a professional and hard-working staff, a colorful midway, great food, live music, well-cared for animals, and an outstanding performance. They are never disappointed.

The quality of a circus can be measured by the excitement and smiles on the faces of the children in attendance. Then this circus is a five-star production.

People may ask, "Why do you have the same show return each time you sponsor a circus?" My answer always is, "Why would you change when you already have the best show on the road today." They never argue.

Thanks to the home office staff for helping us make this fundraising event such a success. May God bless all for the rest of the season and always.

Sincerely,

Larry Wolf, Chairperson
