Gentlemen:

On behalf of Lake Cities United Methodist Church, I'd like to thank you for a job well done.

You brought the circus to Lake Dallas in March of this year. Since this was the first time we've hosted something like this, we were a little apprehensive as to how it would be received by the community. Our fears were put to rest quickly.

The Kelly Miller Circus staff, both on site and in your home office, were professional, helpful, and always made the time to answer our many questions. It was obvious that your animals are well cared for and that they trust their handlers.

The community was thrilled by the event and we received many kudos for a job well done.

We look forward to next year and hope that your schedule will again allow us to bring fun and thrill of a circus to the adults and children in our community.

Thank you so much.

Regards,

Donna Terrill
