To Whom It May Concern:

This is a letter of commendation to the Kelly Miller Circus. They were here in Nashville, Arkansas on March 23, 2015. They delivered a really great two show event, and everyone that attended gave great reviews of their performances. The circus staff was very professional and their clean up after the shows was top notched as well.

All in all we truly enjoyed the Kelly Miller Circus being with us this year, and yes we made a profit by having them here.

Thanks for a truly great show,

Mike Reese
